BOUTIQUE HOTEL - FRANSCHHOEK

## WINE LIST 2025

Our contemporary wines and wines in the card operated wine dispensers are ready to be served. Vintage wines marked with an asterisk (\*) are stored at 13° C in our maturation cellar. Please allow 10-15 minutes for these wines to be presented at correct serving temperature. Other vintage wines are stored at our Café du Vin cellars. Please allow 10-20 minutes for these wines to be collected.

## Welcome to HOTEL DU VIN - Franschhoek!

Our wine list is a realization of a twenty-year-old vision to create a wine list of the highest possible standards and quality. Our 18,000 bottles, housed in professionally maintained cellars, represent the very best from world-renowned estates and the South African vineyards.

The vintage wine list offers a broad vintage selection of top South African producers - including some sought-after vintage wines, together with a selection of big bottles and wines from top international producers.

Our wine list has received the *Wine Spectator Best of Award of Excellence 2024*. The Wine Spectator's wine list awards program is the world's leading awards program, honoring the world's best restaurant wine lists since 1981.

Wines marked with an asterisk (\*) are stored at 13° C in our maturation cellar. Please allow 10-15 minutes for these wines to be presented at correct serving temperature. Other vintage wines are stored at our Café du Vin cellars. Please allow 10-20 minutes for these wines to be served.

Please note that although we emphasize the importance of provenance, the quality of wines older than the 2000 vintage cannot be guaranteed, and these wines must be accepted as purchased by the customer before the bottle is opened.

We wish you many memorable wine moments at HOTEL DU VIN Franschhoek!

### Happy Imbibing!

22<sup>nd</sup> April 2025

## ENOLINE WINE DISPENSERS

Our state-of-the-art Enoline card operated wine serving system is located in the bar area, and offers selected South African wines, four red and four whites, stored at correct serving temperatures. You may choose between a tasting pour (25ml), a half glass (75ml) or a glass (150 ml).

Wine cards are available at the front desk, and you may ask the receptionist for a demo of how the wine card system works.
